### Amendment #1 to the Sailing Instructions:

**SI 1 RULES**, add the following:

1.8 Rules of the Offshore Racing Rule for Offshore Cruising/Production Racing Yachts shall apply for boats racing under racing under ORR-ez. Link: [ORRez Rule Book](#). See NOR 1.2 for contact / application information.

**SI 5 SCHEDULE**, replace the Classes, Flags and Scheduled warning signal table with the following:

Start	Class	Start Flag	Time of Warning
1	ORR F & EZ	Numeral pennant 1	12:25
2	ORR E	Numeral pennant 2	12:35
3	ORR D	Numeral pennant 3	12:45
4	ORR C	Numeral pennant 4	12:55
5	ORR B	Numeral pennant 5	13:05
6	ORR A	Numeral pennant 6	13:15

**SI 15 SCORING**, add the following:

15.3 Monohull ORRez will be scored with ORRez certificates for Class only. This changes the NOR.

**Reason:**

These changes are made to allow for an ORR-EZ class to be added to the race. Boats in the ORR-EZ class will be scored with their ORR-EZ certificate against each other, and NOT against any ORR entry.
